THE ASSESSORSHIP.—The necessary papers have been filed contesting the County Assessorship. By the returns to the County Commissioners, which were accepted by that body when the official count was made, K. J. Hanley received 960 votes, and J. A. Curtis 940 votes, for County Assessor. Bullionville precinct gave Curtis 78 and Hanley 121 votes. At the time of the official count Judge Hardy, as counsel for Curtis, formally objected to receiving the returns from Bullionville precinct, on the ground of illegality on the part of the election officers in that precinct. The objection was overruled by the Board, and Hanley declared duly elected. Exception was taken by Judge Hardy, and there the matter rested until Curtis filed the necessary papers for contesting Hanley's right to the office. If the Bullionville returns are declared valid by the District Court, which is to pass upon the legality of those returns, then all doubt is at an end. If, on the contrary, the Bullionville returns are rejected, Curtis will be entitled to the office. Both Curtis and Hanley have filed bonds for the faithful discharge of the duties of the office. The matter cannot be definitely settled until the meeting of the District Court, on the 9th.

COUNTY COMMISSIONERS.—Of the old Board (Messrs. Glissan and McCann) were present yesterday. The minutes of the meeting on the 31st ult. were read by the Clerk, and approved by the old Board. A few bills not finally acted upon were passed over for the consideration of the new Board. Mr. Glissan, Chairman of the retiring Board, made a few remarks to his successors, expressing the hope that their term of office would prove pleasant to them and advantageous to the people. The members of the new Board—Messrs. D. A. Fulk, (for the long term) and T. J. Jones and C. R. Carden—having been sworn in, then took their seats. No business of particular consequence was transacted. The Board will be in session to-day to pass upon the bonds of the new county officers.

COUNTY JAIL.—Sheriff Travis yesterday received the keys of the County Jail and took formal possession of that institution, together with the custody of the inmates. There are six prisoners now in jail, one of whom is a Chinaman; one is charged with murder and another with rape, both of whose cases will be inquired into by the Grand Jury. There are three cells in which to confine the refractory when deemed necessary. The main building, exclusive of cells, is about 20x12 feet in dimensions, and is warm and properly ventilated. The prison is of substantial material, and it would require an expert at jail-breaking to effect an escape.

BROKEN LEG.—Thaddeus Empey, a clerk in the employ of Sherwood Bros., met with a severe accident a few days ago, by breaking his right leg, under very peculiar circumstances. While going through the yard he accidentally stepped on a small round stone, throwing his ankle over suddenly. He supposed for a while that it was only a sprain, but the pain became so excruciating that it became necessary to call Dr. Deal, who pronounced it broken. The leg has been set, and Mr. Empey is recovering fast.

SHERIFF'S DEPUTIES.—W. S. Travis, our newly elected sheriff, took possession of his office yesterday. Sheriff Travis has made the following appointments: Joseph R. Hoag, Under Sheriff; J. B. Van Hagan and L. P. Davis, Deputies; Henry Woodruff and William L. McKee, Night Watchmen; Al. Staples, Deputy Sheriff at Bullionville; — Lufkins, Deputy at Panna; John McCall, Deputy at Dry Valley; Joseph Starks, Deputy at Hiko.

SELLING OUT.—Yesterday the sale of J. Cohn Bro.'s stock of fancy and dry goods commenced. The bidding was spirited, and a large amount was disposed of. The sale will be continued to-day, and those in want of articles in that line would do well to attend the auction, at L. D. Strong's paint shop, Meadow Valley street.

POCICHE NEWS LETTER.—This valuable little sheet, which makes the task of writing a long letter about Pioche mines a work of no greater magnitude than writing date and signature, will be found at the Postoffice. It can only be obtained there in the future. It has been carefully revised.

DISRUPTING THE PEACE.—Yesterday two individuals, acting under the influence of the stimulants in which they had been indulging too freely, were arrested, one by officer Boyd, and the other by officer McKee. We hope to see the officers vigilant in arresting offenders against the peace.

A BUSY DAY.—Yesterday was a busy day in the County Clerk's office. Though very little profanity was indulged in, the amount of "swearing" exceeded anything we have met with in many a day. The change in county officers was the cause of all the bustle.

THE WEATHER continues very pleasant, and a few days more of such pleasant sunshine will place the streets in good passable condition. The roads are still very heavy.

A. B. O'DONOHUE, until the close of the late term principal of the public school here, has turned his attention to the practice of law. We invite attention to his card.

WOODRUFF & MURPHY are still kept busy in making boots for the many. Their make of anatomical boots cannot be excelled. Shop on Meadow Valley street.

DANCING.—Those who desire to become proficient in dancing, are afforded an opportunity through Mr. Jenkins, whose advertisement will be found in to-day's paper.

PERSONAL.—Mr. John Booth, late of the Carson Register, arrived here by Sunday's stage, and expects to become a permanent resident of Pioche.

BACK AGAIN.—Ike Phillips, after an absence of several weeks among old friends in San Jose, Cal., returned yesterday. He was quite well.

THE BENEFIT to-morrow evening promises to be well attended, as tickets are going off "like hot cakes." A most attractive bill is being prepared by the beneficiary, which, on its own merits, ought to draw a good house. The performance will commence with the drama entitled "Alone in the World," followed by an olio performance, after which the rattling comedietta by James Pilgrim, entitled the "Limerick Boy." Mr. Maguire is working hard to establish legitimate amusement in this city, and, although but a short time among us, has already made many friends. We anticipate the pleasure of witnessing a crowded house to-morrow night, as a practical recognition of his efforts.

MINERS' UNION.—This body was permanently organized on the 2d inst., and elected the following officers: Michael Cody, President; D. Holland Vice President; Richard S. Vance, Recording Secretary; John Uran, Financial Secretary; John Johns, Treasurer; Thomas Jones, Conductor; Thomas Penna, Warden. The organization numbers about 250 members.

SERVING.—County Surveyor Schoppmann is ready for duty, and lets the people know the fact by an advertisement. Orders may be left either at his office, in the Court House, or at John Roeder's store, Lacour street.

R. D. MILLET, lately connected with the Chicago mill at Bullionville, is about starting off for Belmont to join Samuel McMasters at that place. We wish Mr. Millet all success in his new field of labor.

DEPUTY CONSTABLE.—Smith Gray, Constable of Pioche Township, has appointed George W. Birdsell as his Deputy. Mr. Birdsell is a well known citizen of this State, and was at one time Marshal of Virginia.

JUDGE C. W. WANDALL leaves this morning for Salt Lake, intending to go either to San Francisco or East. Wherever he may go, he bears with him the good wishes of many friends here.
